MEMORIES COLLECTION

2020-2021

LETS NEVER STOP MAKING MEMORIES TOGETHER

"Welcome to ALKISTIS, where every piece is crafted to accompany you on your journey through life's adventures. Our resort-wear womenswear collection is not just about clothing; it's about embracing the memories and emotions of travel. Inspired by our creative directors' wanderlust-filled journeys through Asia and Greece, each print carries the essence of a far-off land, infusing your wardrobe with a unique flare.

At ALKISTIS, we understand that the clothes we wear while traveling hold a special place in our hearts. They're more than their utility; they're vessels of cherished memories and unforgettable experiences. That's why our collection is designed to be worn all day, every day, whether you're sipping morning coffee, exploring new landscapes, or enjoying drinks under the night sky.

Our pieces are not only comfortable but also versatile, effortlessly transitioning from casual mornings to elegant evenings.

With ALKISTIS, you'll feel at home no matter where your adventures take you, wrapped in the comfort of familiarity and the excitement of discovery. Join us in celebrating the magic of travel through fashion that's as unforgettable as the journeys themselves."
